MADDINGTON SCHOOL

– WELCOME –
BACK TO SCHOOL

Welcome to the 2024 school year. If you are new to Maddington Primary School, we hope you enjoy becoming part of the Maddington school community. Our friendly office staff will answer any questions you might have.

Parent Information Afternoon

Next Tuesday 13 February will be running a series of information sessions about your child's classroom. Each class will produce an information document for you in case you are unable to make the meeting.

The first meeting will commence at 5:00pm and conclude at 5:25pm. A repeat of that meeting will commence at 5:30pm and conclude at 5:55pm.

NAPLAN

NAPLAN testing will be held from 13 March until 25 March. Students in years 3 and 5 will be bringing home an information sheet.

110 Years Old!

Maddington PS is turning 110 years old this year. The school first opened in 1914. There will be a special assembly on Friday 23 February at 9:00am to recognise this milestone.

NO HAT PLAY IN THE SHADE

Just a reminder that each student requires a bucket hat or wide brimmed hat to be able to go out in the sun. Please ensure that they have their name on them.

CAR PARK

Included with this newsletter is an extensive explanation about parking at Maddington School. Please be courteous and careful in the car park.

CRUNCH AND SIP

Students need to bring fruit from home for Crunch and Sip as Steph does not have any currently.

INCURSION/EXCURSION

Week 9 this term will see the whole school travelling to Kings Park to participate in activities. Kings Park Education offers hands-on, immersive learning experiences for Kindergarten to Year 12 students in the areas of E-Stem, Cultural Heritage and Wellbeing. Years 1 to 6 will be learning about the Noongar Boodja Seasons and Pre-primary and Kindergarten students will be learning Noongar language through storytelling, Moorditch Boya. This excursion is fully funded by the Australian Government for mental health and well-being of our students during the international events happening world-wide.

In Term Two we will be participating in **Schools Go Dance** over 9 weeks with a performance on Tuesday 18 June.. This year we do not have a grant to defray the costs. At this stage the cost is \$38.00 per student. With fundraising we should be able to reduce the cost somewhat. If you are interested in assisting with the fundraising, please contact the Front Office or Steph.

MENTAL MATHS BOOKS

These can be purchased from the office for \$14.36. If you are unsure which book to purchase, please speak with your child's classroom teacher.

Kind Regards

Chris Walsh
